EXPERIENCE

Samsung Parts Distribution Administrator, Ingram Micro. (Jan 2025 – Present)

- Oversee end-to-end parts ordering and inventory management, ensuring high accuracy and minimising supply chain disruptions
- Act as a key point of contact for suppliers, OEMs, and customers, delivering timely updates and building strong B2B and B2C relationships
- Proactively resolve order discrepancies and manage returns (RMA), maintaining system integrity and high customer satisfaction
- Generate and analyse daily operational reports, improving stock visibility and supporting efficient, data-driven decision-making

Student Support Ambassador, University of East Anglia (UEA) (Sept 2023 – Sep 2024)

- Used Gecko application tracking systems to log, track, and monitor student enquiries and application progress, ensuring accurate records and timely follow-ups.
- Clearly communicated why UEA as a study destination, highlighting course quality, campus culture, student support services, and postgraduate community benefits.
- Represented the university at external events and media engagements (ITV news, greatest hit uk radio), contributing to institutional visibility while maintaining professional and compliant communication standards.

Channel Sales Manager, Lodha Macrotech Developers (Apr 2022 – Aug 2023)

- Managed Salesforce CRM to track client interactions, leads, and follow-ups, ensuring accurate records and audit-ready data.
- Promoted within 12 months for exceptional performance, leading launch-phase growth by generating 350 walk-ins in a single month (35% of total site), driving exponential sales and market visibility; additionally, 50% of channel partners (5 of 10) were awarded for top performance under my management.

Sales Executive / Client Support, TREC – The Real Estate Company Ltd (Aug 2021 – Mar 2022)

- Managed client records, documentation, and follow-up schedules, maintaining organised and up-to-date files.
- Conducted 150 client calls daily, converting outreach into 4–7 weekly walk-ins, consistently contributing to site targets and successfully closing deals; achieved an estimated 5–8% lead-to-walk-in conversion rate.
- Supported customers throughout the enquiry and decision-making process, ensuring clear communication and timely responses.
